What we've been doing

1 March 2022

Lily Hill Park

We cleared vegetation near the ruins of the former Foresters public house. Mostly ivy was cleared from the foundations. We also cleared bramble and willow/holly to open up an area of woodland near the pub site. Cleared material was burnt on a small bonfire.

14 volunteers attended. It was overcast and rather damp. Rain was forecast for later in the day.

Ambarrow Court

We cleared laurel from two areas. We burnt material from the larger area on a bonfire; material from the other area was piled ready for subsequent chipping.

The weather was fine and sunny, but cold to start with. We were glad to welcome a new volunteer who was a founder member of BCV. 19 volunteers attended.
