## What we've been doing

**2 August 2022**

**Lily Hill Park**

The first task was to erect a cleft chestnut fence at Badger entrance, to prevent people running out on to Lily Hill Road. The other task was clearance of brash, continuing where we had cleared previously by the path.

18 volunteers attended. The weather was warm, muggy and cloudy

**9 August 2022**

**Frost Folly**

Task 1 was to remove reed mace (bulrushes) from 2 ponds. The ground was rock hard, making the task very difficult. The second task was tree guard removal.

11 volunteers attended; the weather was hot and sunny.

## **16 August 2022**

## **Snaprails Park**

We cleared holly, bramble and snowberry from around trees, alongside the path and from an overgrown wild flower garden.

The weather was overcast and warm, quite muggy under the trees. We had a few spots of rain.
