What we've been doing

11 April 2023   Snaprails Park

The main task was to clear an old wooden fence that had fallen over and replace it to restore the boundary. We also cleaned mud from the edge of the cycle track and cleared brambles to give more room for bluebells.

The weather was mild, with sun and cloud. Rain had been forecast, but did not materialise.

17 volunteers attended.

18 April 2023   Big Wood

First task was to remove tree guards from thousands of trees.

Second task was to install a new gate in the fence.

The weather was sunny but windy, becoming cloudy after lunch. 16 volunteers attended.
