What we've been doing

2 January 2024

Lily Hill Park

The task was to cut back rhododendron and remove bramble from a strip all around the car park (main North car park) and along the road frontage.

The weather was wet, with steady but not heavy rain. 12 volunteers attended.

Nightingale Triangle

The tasks were: to spread wood chip along the paths,
pulling out bramble, avoiding the area which seems to be a foxes earth.
winching out *Rhododendron ponticum* stumps.
making a fire to burn cut material, (our material and some material cut previously).

The weather was rather cold with a chilly breeze. We had a good turnout of 22 volunteers.

What's on

Binfield Environment Group

Work party in Silver Jubilee Field

Saturday 20 January 2024

10:00 to 13:00

Come and join us to help get Silver Jubilee Field ready for spring. Meet in the Wicks Green car park (off Stevenson Drive) or join us in the south-east corner of Silver Jubilee Field. It is likely to be muddy so please wear suitable shoes and bring gardening gloves if you have them. If the weather stays cold, then a hot drink may also be a good idea.
