What we've been doing

26 September 2017

Ambarrow Court

Leader: Jon Munday
Ranger: Liz Vango-Smith

One group worked on cutting down trees and clearing undergrowth to improve sight lines. The other group installed edging along a path and filled with scalplings. Some problems were encountered with cutting down larger trees which became lodged in other trees. Some members of BCV returned on Wednesday to continue with the previous day's tasks. The weather was good. Eleven volunteers attended.
